

SCAFFOLDING

GATOR Scaffolding Services provide high quality, reliable and cost-effective scaffolding solutions to meet with the critical on-time/on-budget demands associated with repair, maintenance, turnaround and outage projects. Our experienced team will develop and execute a scaffolding plan to meet with all project schedules and goals.

GATOR provides a large array of scaffolding configurations such as system, sectional, motorized, shoring and suspended for maximum project flexibility and access. We also provide turnkey scaffolding solutions through onsite services such as erecting, dismantling, safety training, project management and inventory management.
