

## ABOUT US

**GATOR Specialty Services** is a professional, competitive and experienced Industrial General Contractor specializing in Capital Projects, Turnarounds, Maintenance, Instrumentation & Electrical, Tank Repair, Fabrication, Pumps & Valves and Environmental Services. We provide turnkey industrial solution that can help your company increase productivity and operating efficiency while reducing downtime and costs.

The GATOR team consists of highly qualified and experienced project managers, estimators, craftsmen/millwrights, and safety experts to ensure on-schedule and on-budget project completion. At GATOR, safety is our top priority. We place the health and safety of project personnel above all other goals. We firmly believe that no work is as important as the safety of all workers. That is our priority - and promise.
